Good morning! I would like to express many thanks for everything you and your campus have done for the students of Levi Fry Intermediate School. I have attached pictures of some of the displays that hang in the main hallway for all students, staff, and visitors to witness your acts of kindness. I decided to use the cards you sent to develop 'Hearts of Hope'. Many of the messages are daily positive vibes that so many of us use throughout the day. It is refreshing to see the students and staff stop in the hallway and read the cards; we are enjoying them thoroughly. I have also included pictures of the comfy Big Joe seats you all donated, along with the bean bags Staples of Boston donated! My students absolutely love them and are working hard to keep them nice, and neat for the year as they continue to enjoy reading and working in their new areas. The amount of supplies you guys donated was extraordinary, so much so that I have set up a small outreach center from my classroom, where students and staff in need can come by and take what they may need, no questions asked. It has been a true blessing to give to those still trying to rebuild. I thank you for giving and providing the opportunity for us to bless our school and community. You and the Good Hope family are part of our community and we would like to say a huge thank you, with mounds of gratitude. I am still looking forward to skyping and exchanging letters for the students. Let me know where we need to start. Again, thank you for all you have done. Happy Holidays to you and the entire campus of Good Hope!

Mrs. Katasha DeRouen
